

Math 105 - Quiz 1

DATE: 9/11/17

Name: _____

Decide whether each of the statements below is *True* or *False* as stated.

Write the entire word *True* or *False*. You do not need to explain.

1. If you do not complete a WebWork or Team Homework assignment by the deadline, you can finish it within the following day for partial credit.
2. Every idea on which you will be tested on exams will be covered by in-class examples.
3. Your score on the Gateway Exam is worth 10% of your final course grade.
4. Each member of the team is responsible for writing up and turning in the solution for at least one problem on the team homework every week.
5. Grades in Math 105 are based on a traditional scale (90–100 A, 80–89 B, etc.).
6. In order to be successful in this course, a student should plan to spend a total of about 4 hours outside of class per week working with the course material (doing homework, reading the text, etc.).
7. If you are performing poorly on quizzes and team homework due to lack of effort, your course grade can be lowered by a full letter grade.
